## March 2022 Newsletter

Yá'át'ééh! Greetings to all Chinle Chapter community members! Chinle Chapter is pleased to share our upcoming community service projects!

*Emergency Berm Repair along Chinle Wash; Chinle Chapter has installed fencing and signage to preserve work completed.*

Chinle Chapter requests families to protect the berm repairs, as it has been repaired to prevent water from impeding on nearby housing. Please share information with your fellow community members.

Other project review: Chinle Chapter would like to invite the Navajo Nation Environmental Protection Agency and Navajo Forestry to present to the Chinle Chapter community on trash concerns and wood hauling. Meeting details will be shared and posted.

## Future Goals

### Q. Trash Ordinance and Community Clean Up

A. Chinle Chapter welcomes feedback on how we can clean our community. Earth Day Event will be hosted by Chinle Chapter, more details to follow.

### Q. Farm Board

A. Chinle Chapter emergency berm repair project leads our Chapter into reviewing Chinle farming options. We welcome input on irrigation, farming, and overall land use. Chinle Chapter is working to develop a Farm Board to obtain funding, plan, and repair existing irrigation canals.
